

Working
together for
HEALTHIER CITIES

Sustainable, recycled **BUS SHELTERS WITH GREEN ROOFS**

trueform
ZERO
emissions

Trueform's range of green shelters are designed to allow for habitat creation, and low maintenance native planting that enhance our environment and provide improved air quality.

Operating internationally, working with Transport Authorities, Council's and Boroughs, Trueform are playing an integral role in providing smart city products to encourage cycling, walking and public transport usage.
