

## Millenium Bus Stop

## Millenium Bus Stop

In addition to Trueform's standard range of bus stops, Trueform offer a complete range of 'bespoke Bus Stop' products and services.

Trueform's in-house design Team are able to work with client's to provide a unique range of bespoke bus stops to meet their requirements.

Trueform has established themselves as a leader in the provision of imaginative, elegant and thoroughly engineered solution for public transport waiting environments and information systems.

Trueform's ability to blend creative new bus stop designs with sound engineering expertise coupled with hands-on installation and maintenance experience enables the provision of bus stops that are not only a powerful visual calling card for promotion of public transport travel but are robust, vandal resistant and easy to maintain.
